

BRANCH REWARDS INFORMATION AND RULES

AAUW has partnered with World Medical Card to improve the health and safety of our members and their communities.

This opportunity can be a great fundraising tool for your branch as well. You can offer your friends and family a discount price on a World Medical Card subscription while generating donations from WMC to your branch.

There is also a great branch reward program from World Medical Card that offers your branch a chance to win valuable prizes. The branch can do whatever it wants with the prize—raffle it, auction it, and so on. There's even a wonderful prize that one lucky AAUW member can win in a drawing just for participating.

THE RULES: *To qualify for branch rewards, a branch must recruit a minimum of 130 new paid AAUW World Medical Card subscribers by the AAUW 130th anniversary. Individuals need only recruit one or more new paid AAUW WMC subscribers to qualify for the individual award.

Please read on for the specifics.
