The Honorable Paul Ryan Speaker of the House H-232, The Capitol Washington, DC 20515

The Honorable Nancy Pelosi Minority Leader H-204, The Capitol Washington, DC 20515

Dear Speaker Ryan and Minority Leader Pelosi:

On behalf of the undersigned organizations, we write in strong opposition to the use of the Congressional Review Act (CRA) to repeal the regulations implementing the Fair Pay and Safe Workplaces Executive Order. We are organizations dedicated to protecting workers, eliminating workplace discrimination and protecting access to justice. The Fair Pay regulations represent a much-needed step forward in ensuring that the federal contractor community is providing safe and fair workplaces for employees by encouraging compliance with federal labor and civil rights laws, and prohibiting the use of mandatory arbitration of certain disputes.

Employers that have the privilege of doing business with the federal government also have a responsibility to abide by the law. The Fair Pay regulations are crucial because they help ensure that federal contractors behave responsibly and ethically with respect to labor standards and civil rights laws. They also encourage companies applying for federal contracts to comply with federal labor and employment laws such as the Fair Labor Standards Act (which includes the Equal Pay Act), Title VII of the Civil Rights Act, the Americans with Disabilities Act of 1990 and the Occupational Safety and Health Act, and their state law equivalents. The Executive Order also bans contractors from forcing employees to arbitrate claims under Title VII of the Civil Rights Act as well as claims of sexual harassment and sexual assault.

We ask you to stand with American workers and oppose any attempts to roll back the protections that stem from the Executive Order on Fair Pay and Safe Workplaces. They provide strong protections against the federal government contracting with employers that routinely violate workplace health and safety protections, engage in age, disability, race, and sex discrimination, withhold wages, or commit other labor violations. These protections should not be repealed.

Sincerely,
