## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
American Association of University Women, Inc.  
AAUW Action Fund, Inc.  
Washington, D.C.

### Opinion

We have audited the accompanying consolidated financial statements of the American Association of University Women, Inc. (AAUW) and AAUW Action Fund, Inc. (the Action Fund), collectively referred to as the Organization, which comprise the consolidated statements of financial position as of June 30, 2024 and 2023, and the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Organization as of June 30, 2024 and 2023, and the consolidated changes in its net assets and its consolidated cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

## **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The Consolidating Schedules of Financial Position, Activities and Change in Net Assets on pages 27 - 29 are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION**

Organizations -

The American Association of University Women, Inc. (AAUW) is the nation's leading voice promoting equity and education for women and girls through research, education, and advocacy. Since its founding in 1881, AAUW has examined and taken positions on the fundamental issues of the day - educational, social, economic, and political. Membership in AAUW is open to all graduates holding an associates or equivalent, or higher degree from a qualified educational institution. AAUW was incorporated under the laws of the District of Columbia in 1958. AAUW is supported primarily by contributions, member dues, and investment income.

Major programs of AAUW:

***Fellowships and Grants*** - AAUW awards American Fellowships to women who are U.S. citizens or permanent residents pursuing full-time study to complete dissertations, conduct postdoctoral research, or preparing research for publication. Selected Professional Fellowships are awarded to women pursuing full-time study in a master's or professional degree program in which women are underrepresented, including STEM, law, business, and medicine. International Fellowships are awarded to women pursuing full-time graduate or postdoctoral study in the United States who are not U.S. citizens or permanent residents. International Project Grants are awarded to alumnae of AAUW's International Fellowships program who are living in their home countries and pursuing community-based projects to improve the social advancement and economic empowerment of women and girls. Community Action Grants are awarded to individuals, AAUW affiliates, and nonprofit organizations to fund innovative programs or non-degree research projects that promote equity for women and girls. Career Development Grants are awarded to women pursuing a certificate or degree to advance their careers, change careers, or reenter the workforce and whose bachelor's degree was received at least five years before the award period.

***Training Programs*** - AAUW created and runs programs that serve the public such as AAUW Start Smart, AAUW Work Smart salary negotiation and financial literacy workshops.

***Research*** - AAUW provides support for research that is widely disseminated.

***Public Policy*** - AAUW's public policy efforts connect, educate, and rally members, supporters and advocates to advance its mission to empower women and girls through grassroots advocacy at the federal, state, and local levels.

***Legal Advocacy Fund*** - AAUW's Legal Advocacy Fund combats sex and gender discrimination through financial case support.

***Membership*** - AAUW supports the mission-based work of state and local AAUW affiliates, including programming and grassroots advocacy that advance gender equity for women and girls.

The AAUW Action Fund, Inc. (the Action Fund) was founded in 1881, and was chartered under a special act of the Massachusetts Legislature in 1889. The Action Fund includes activities and programs to advance equity for women and girls through member activism and voter mobilization. The Action Fund is primarily supported by investment income.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION  
(Continued)**

Organizations (continued) -

Major programs of the Action Fund:

**Advocacy** - The public policy and government relations function includes influencing legislation and regulations, training and technical assistance, issues analyses and voter education based on the member-adopted public policy priorities.

**Outreach** - Includes advocacy and lobbying activities that connect and rally members, supporters and advocates to advance the Action Fund mission.

Principles of consolidation -

The accounts of AAUW and the Action Fund (collectively, the Organization) have been consolidated in accordance with accounting principles generally accepted in the United States of America established by Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-810, *Not-for-Profit Entities Consolidation*, which require that financially interrelated organizations be consolidated. The bylaws of the Action Fund provide that the AAUW Executive Committee shall constitute the Board of Directors of the Action Fund. As a result, AAUW is deemed to have both an economic interest in and control of the Action Fund, and consolidated financial statements are required to be presented. All material intercompany accounts and transactions have been eliminated in consolidation.

Basis of presentation -

The accompanying consolidated financial statements are presented on the accrual basis of accounting, and in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) related to nonprofit entities. As such, net assets are reported within two net asset classifications: without donor restrictions and with donor restrictions. Descriptions of the two net asset categories are as follows:

- **Net Assets without Donor Restrictions** - Net assets available for use in general operations and not subject to donor restrictions are recorded as "net assets without donor restrictions". Net assets set aside solely through the actions of the Board are referred to as Board Designated and are also reported as net assets without donor restrictions.
- **Net Assets with Donor Restrictions** - Net assets may be subject to donor-imposed stipulations that are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Donor imposed restrictions are released when the restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Other donor imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue without donor restrictions when the assets are placed in service. The purpose restrictions are as follows:

**American, International and Selected Professions Fellowships:** The American and International Fellowships are funded by contributions and investment revenue earned from net assets with purpose restricted gifts to fund fellowships for women.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION**  
(Continued)

Basis of presentation (continued) -

- **Net Assets with Donor Restrictions (continued) -**

**NYC Metropolitan Area Fund:** These funds are purpose restricted and are to be used solely within the prescribed New York City Metropolitan Area for the furtherance of the purposes of the American Association of University Women, Inc.

**Career Development, Community Action and International Project Grants:** Awards are funded by contributions and investment revenue earned from purpose restricted gifts to fund programs and research that help advance equity for women and girls.

**Legal Advocacy Fund:** These funds are restricted to supporting legal cases combating sex and gender discrimination, particularly in education and the workplace.

**STEM Fellowships and Grants:** Contributions and investment income are used to overcome the barriers that have historically resulted in women and girls being significantly underrepresented in the fields of Science, Technology, Engineering, and Mathematics.

**Financial Literacy and Salary Negotiation Programs:** AAUW Financial Literacy and Salary Negotiation Programs are designed to empower women with the skills and confidence to negotiate for fair pay and understand finances and budgeting.

**Split-Interest Agreements:** Split-Interest Agreements net assets consist of donor agreements to provide assets to AAUW as described in Split-Interest Agreements.

**Endowments:** Net assets with Endowment restrictions are maintained in perpetuity by AAUW. The investment income earned on the purpose restricted net assets is used to fund the various programs. The following is a description of AAUW's Endowed funds:

**American and International Fellowships:** American and International Fellowships endowment funds are restricted for American and International Fellowships pursuant to the charter of the endowment.

**Research and Projects:** Research and projects endowment funds are restricted for career development and community action grants.

**Legal Advocacy:** The Legal Advocacy Fund consists of gifts from the Marguerite Rawalt Legal Defense Fund, the Rothschild Endowment, and other contributions. The restrictions are controlled by the original agreements establishing the endowment by the donor.

**Campus Leadership Programs:** Endowment funds are restricted for AAUW's campus programs.

New accounting pronouncement adopted -

Accounting Standards Update (ASU) 2016-13, *Financial Instruments – Credit Losses* (Topic 326), replaces the incurred loss impairment methodology in current U.S. GAAP with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates. Under the standard, disclosures are required to provide users of the consolidated financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
JUNE 30, 2024 AND 2023**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION  
(Continued)**

**New accounting pronouncement adopted (continued) -**

Financial assets held by the Organization that are subject to the guidance in FASB ASC 326 are trade accounts receivable. The Organization implemented the ASU on July 1, 2023, using a modified retrospective approach. The impact of the adoption was not considered material to the consolidated financial statements and primarily resulted in enhanced disclosures only.

**Cash and cash equivalents -**

The Organization considers all cash and other highly liquid investments, including certificates of deposit, with maturities of three months or less to be cash equivalents, and excluding money market funds held by investment managers in the amount of \$465,871 and \$563,883 for the years ended June 30, 2024 and 2023, respectively. Bank deposit accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to a limit of \$250,000. At times during the year, the Organization maintains cash balances in excess of the FDIC insurance limits. Management believes the risk in these situations to be minimal.

**Investments -**

Investments are recorded at their readily determinable fair value. Interest, dividends, realized and unrealized gains and losses are included in investment return, which is presented net of investment expenses paid to external investment advisors, in the accompanying Consolidated Statements of Activities and Changes in Net Assets. Investments acquired by gift are recorded at their fair value at the date of the gift. The Organization's policy is to liquidate all gifts of investments as soon as possible after the gift.

**Contributions and grants receivable -**

Contributions and grants receivable primarily consist of unconditional pledges from individuals, bequests, and irrevocable charitable lead and remainder trusts to be paid over various periods. Amounts that are expected to be collected within one year are recorded at net realizable value. Allowances for doubtful accounts are estimated based on the length of time outstanding and past history with donors. Amounts that are expected to be collected in future years are recorded at the present value of future cash flows. Management considers all contributions and grants receivable to be fully collectable; therefore, no allowance for doubtful accounts has been established.

**Other accounts receivable -**

Other accounts receivable primarily consists of the Employee Retention Credit (ERC) (see Note 11), and accrued investment interest. All other accounts receivables are recorded at their fair value, which is measured as the present value of the future cash flows. Other accounts receivables are presented net of an allowance for credit losses resulting from the inability of customers to make required payments.

**Property and equipment -**

Property and equipment are recorded at cost, if purchased, or at fair market value at date of donation, if contributed. Acquisitions of property and equipment greater than \$5,000 are capitalized and depreciated or amortized using the straight-line method over the following useful lives: furniture, ten years; computer equipment and software, three to seven years; website redesign, five years; and, leasehold improvements, the lesser of the remaining lease term or the estimated useful lives of the improvements.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
JUNE 30, 2024 AND 2023**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION  
(Continued)**

Property and equipment (continued) -

Depreciation and amortization expense for the years ended June 30, 2024 and 2023 totaled \$436,416 and \$413,121, respectively.

Impairment of long-lived assets -

Management reviews asset carrying amounts whenever events or circumstances indicate that such carrying amounts may not be recoverable. When considered impaired, the carrying amount of the assets is reduced, by a charge to the Consolidated Statements of Activities and Changes in Net Assets, to its current fair value.

Income taxes -

AAUW is exempt from the payment of income taxes on its exempt activities under Section 501(c)(3) of the Internal Revenue Code (the Code), and is classified as other than a private foundation within the meaning of Section 509(a)(1) of the Code. However, AAUW is subject to tax on net income received from activities unrelated to its exempt purpose.

The Action Fund is exempt from Federal income taxes under Section 501(c)(4) of the Internal Revenue Code, taxable if they have unrelated business taxable income under IRS Code Section 512(a)(1), and taxable if they have political organizations taxable income from political expenditures, as described under IRS Code Section 527(f)(1). For the years ended June 30, 2024 and 2023, the Organization had no unrelated business income.

Support from contributions and grants -

Contributions and grants are recognized in the appropriate category of net assets in the period received. The Organization performs an analysis of the individual contribution or grant to determine if the revenue streams follow the contribution rules or if they should be recorded as an exchange transaction depending upon whether the transaction is deemed reciprocal or nonreciprocal in accordance with ASC Topic 958.

Support from contributions is recognized upon notification of the award and satisfaction of all conditions, if applicable. Conditional promises to give are not recognized until the conditions on which they depend are substantially met. Contributions, including grants qualifying as contributions, that are unconditional but have donor restrictions are recognized as "without donor restrictions" only to the extent of actual expenses incurred in compliance with the donor imposed restrictions and satisfaction of time restrictions. Contributions with donor restrictions either in excess of expenses incurred or with time restrictions are shown as net assets with donor restrictions in the accompanying consolidated financial statements. Contributions that are both received and released from restrictions in the same year are classified as without donor restrictions.

Conditional contributions contain a right of return and a measurable barrier. Contributions are recognized when conditions have been satisfied. Conditional contributions received in advance of meeting specified conditions established by donors are recorded as refundable advances. However, the Organization had no refundable advances as of June 30, 2024 and 2023.

In addition, the Organization may obtain funding source agreements related to conditional contributions, which will be received in future years. However, the Organization had no conditional contributions to be received in future years as of June 30, 2024 and 2023.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
JUNE 30, 2024 AND 2023**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION  
(Continued)**

Revenue from contracts with customers -

The Organization's membership dues and conference revenue are the most significant revenue streams that are treated as exchange transaction revenue following ASC Topic 606. Revenue from contracts with customers is recorded when the performance obligations are met. The Organization has elected to opt out of all disclosures not required for nonpublic entities. Transaction price is based on sales price. Funding received in advance of satisfying performance obligations are recorded as deferred revenue.

Membership dues -

Membership dues include general member benefits that are a series of distinct obligations. The revenue is recognized ratably over the membership period. There are several benefits received that are individual distinct obligations such as discounted rates to conferences and meetings; however, they are immaterial in nature to the contract and thus are included with the general member benefits. Any amounts considered as a contribution are recognized upon receipt. Life membership dues are recognized evenly over 20 years.

Conference revenue -

Conference revenue is recognized as revenue when the related events are held.

Use of estimates -

The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Split-interest agreements -

AAUW has a beneficial interest in two types of split-interest agreements where donors have made irrevocable gifts to AAUW or to trusts for the benefit of AAUW. Donors either transfer assets directly to an investment account in the name of AAUW or promise to give assets in the future. The assets are recorded at fair value, if invested, or at present value, if promised. The split-interest agreements are as follows:

- Charitable Gift Annuity: A charitable gift annuity is an arrangement between a donor and AAUW in which the donor contributes assets to AAUW in exchange for a promise by AAUW to pay a fixed amount for a specified period of time to the donor or to individuals or organizations specified by the donor.
- Charitable Remainder Unitrust (CRUT): A charitable remainder unitrust is an agreement whereby the donor contributes assets in exchange for distributions based on the value of trust assets for a specified period of time to the donor or other beneficiaries. At the end of the specified time, the remaining assets are available for AAUW's use. Assets received are recorded at fair value on the date the agreement or unitrust is recognized and as required by state law, are invested. A liability equal to the present value of the future distributions is recorded.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION  
(Continued)**

Functional allocation of expenses -

The costs of providing the various programs and other activities have been summarized on a functional basis in the Consolidated Statements of Activities and Changes in Net Assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses directly attributed to a specific functional area of the Organization are reported as direct expenses to the programmatic area and those expenses that benefit more than one function are allocated on a basis of estimated time and effort or other reasonable basis. Overhead is allocated based on total direct cost after IT and building operations have been allocated.

Investment risks and uncertainties -

The Organization invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying consolidated financial statements.

**2. INVESTMENTS AND FAIR VALUE MEASUREMENT**

In accordance with FASB ASC 820, *Fair Value Measurement*, the Organization has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1), and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument. Investments recorded in the Consolidated Statements of Financial Position are categorized based on the inputs to valuation techniques as follows:

**Level 1.** These are investments where values are based on unadjusted quoted prices for identical assets in an active market the Organization has the ability to access.

**Level 2.** These are investments where values are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, or model-based valuation techniques that utilize inputs that are observable either directly or indirectly for substantially the full-term of the investments.

**Level 3.** These are investments where inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodologies used and there were no transfers between levels in the fair value hierarchy during the years ended June 30, 2024 and 2023. Transfers between levels are recorded at the end of the reporting period, if applicable.

- *Money Market Funds* - The money market funds are open-end funds that are registered with the Securities and Exchange Commission (SEC) and are deemed to be actively traded.
- *Mutual Funds and Exchange Traded Funds (ETFs)* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Organization are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily value and to transact at that price. Mutual funds held by the Organization are deemed to be actively traded.

AAUW ACTION FUND, INC.**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
JUNE 30, 2024 AND 2023**

**2. INVESTMENTS AND FAIR VALUE MEASUREMENT (Continued)**

- *Common Stocks* - Valued at the closing price reported on the active market in which the individual securities are traded.
- *Government Bonds* - Valued at the closing price reported in the active market in which the individual securities are traded.
- *Collective Investment Funds* - These funds invest in a pooled concept that can include a variety of investments including benefit-responsive investment contracts issued by insurance companies and other financial institutions, fixed income securities, and money market funds. The fund may also invest in futures contracts, option contracts, and swap agreements. The fund accounts for valuation in the investment at a net asset value (NAV) whereby fair value is not readily available.

The fair value of investments within the scope of FASB issued Accounting Standards Update (ASU) 2009-12, *Investment in Certain Entities that Calculate Net Asset Value per Share*, can be determined using NAV per share as a practical expedient when the fair value is not readily determinable, unless its probable that the investment will be sold at something other than NAV. The ASU requires disclosure of certain attributes by major category for investments within the scope of the ASU, regardless of whether the practical expedient was used. The Organization has determined that the Collective Funds can be measured using the practical expedient.

The table below summarizes investments, which are measured at fair value on a recurring basis, by level within the fair value hierarchy as of June 30, 2024. Certain investments that are measured at net asset value have not been categorized in the fair value hierarchy; however, the net asset value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Consolidated Statements of Financial Position.

The Organization has also elected to use a risk-free rate as the lease discount rate for all leases as allowed under FASB ASC 842.

**Operating Leases:**

AAUW has a lease agreement for office space through 2032. The lease commenced on June 1, 2016. Under the terms of the lease, AAUW received fifteen months of free rent. The lease includes an option to renew the lease for an additional five years if notice is given by May 31, 2031. The base rent increases annually based on scheduled increases provided for in the lease. The lessor provided lease incentives totaling approximately \$4,324,000. In addition, AAUW is also required to maintain an irrevocable letter of credit in lieu of a security deposit of \$373,000. The letter of credit is secured by a collateral cash account in the same amount.

For the years ended June 30, 2024 and 2023, the total lease cost for all operating leases was approximately \$2,500,000 and \$2,095,000, respectively, which is included in occupancy expense in the accompanying Consolidated Statements of Functional Expenses. For the years ended June 30, 2024 and 2023, the total cash paid for all operating leases was approximately \$2,702,000 and \$2,636,000, respectively. As of June 30, 2024 and 2023, the remaining lease term and rate for the operating lease is 7.9 years and 4.25%.

The following is a schedule of the future minimum lease payments due under the operating lease, net of imputed interest, as of June 30, 2024:

**Year Ending June 30,**

2025	\$ 2,769,343
2026	2,841,897
2027	2,947,300
2028	3,021,097
2029	3,096,820
Thereafter	<u>9,479,729</u>

	20,435,434
Less: Current portion	<u>(1,948,191)</u>
<b>LONG-TERM PORTION</b>	<b><u>\$ 18,487,243</u></b>

AAUW has several sublease agreements that expire through 2032. Under accounting principles generally accepted in the United States of America (GAAP), all lease income payments, including fixed rent increases, are recognized on a straight-line basis over the term of the sub-lease. The difference between the GAAP lease income and the sub-lease payments, as well as any unamortized lease incentives, are reflected as deferred rent receivable in the accompanying Consolidated Statements of Financial Position.

Thereafter	<u>2,564,613</u>
<b>TOTAL</b>	<b><u>\$ 6,678,123</u></b>

Lease income for the years ended June 30, 2024 and 2023 totaled \$991,627 and \$1,031,554, respectively.

**10. RETIREMENT PLANS**

AAUW sponsors a non-contributory defined contribution retirement plan (the Plan) available to all employees meeting certain eligibility requirements as defined by the Plan document. The Plan requires an employer contribution amounting to 6% of participant compensation. The employer contributions are used to purchase Teachers Insurance and Annuity Association Contracts and College Retirement Equity Fund Certificates for the individual participants' accounts.

AAUW also sponsors a defined contribution 401(k) savings plan (the Savings Plan) available to all employees meeting certain eligibility requirements as defined by the Savings Plan document. The Savings Plan requires an employer matching contribution of up to 4% of participant compensation within the current limits of the Internal Revenue Code.

For the years ended June 30, 2024 and 2023, AAUW's contributions under the above plans totaled \$353,924 and \$345,779, respectively.

**11. EMPLOYEE RETENTION CREDIT**

As part of the Employee Retention Credit (ERC) program, the Organization applied for total credits of \$1,064,428 attributable to wages paid that qualified under the program. As of June 30, 2024 and 2023, the amount due for the ERC funds is included in other receivables in the accompanying Consolidated Statements of Financial Position.

**12. ENDOWMENT FUNDS**

AAUW's endowment consists of numerous donor-restricted endowment funds. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors is subject to the Uniform Prudent Management of Institutional Funds Act (UPMIFA) and, thus classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions because those assets are time restricted until the governing Board appropriates such amounts for expenditures. Most of those net asset also are subject to purpose restrictions that must be met before reclassifying those net assets to net assets without donor restrictions.

AAUW ACTION FUND, INC.**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
JUNE 30, 2024 AND 2023**

**12. ENDOWMENT FUNDS (Continued)**

The governing Board has interpreted UPMIFA as not requiring the maintenance of purchasing power of the original gift amount contributed to an endowment fund, unless a donor stipulates the contrary. As a result of this interpretation, when reviewing its donor-restricted endowment funds, the Organization considers a fund to be underwater if the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument.

The Organization has interpreted UPMIFA to permit spending from underwater funds in accordance with the prudent measures required under the law. Additionally, in accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund;
- The purpose of the Organization and the donor-restricted endowment fund;
- General economic conditions and the possible effect of inflation and deflation;
- The expected total return from income and the appreciation of investments; and
- Investment policies of the Organization.

Endowment funds to be invested in perpetuity as of June 30, 2024 and 2023 were as follows:

	<u>2024</u>	<u>2023</u>

Funds with Deficiencies -

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. There were no deficiencies of this nature for the years ended June 30, 2024 and 2023.

Return Objectives and Risk Parameters -

AAUW has adopted investment and spending policies, approved by the Board of Directors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of these endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. The investment policy establishes an achievable return objective through diversification of asset classes. To satisfy its long-term rate-of-return objectives, AAUW relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). AAUW targets a diversified asset allocation that places an emphasis on fixed income and equity-based investments to achieve its long-term return objectives within prudent risk parameters.

Spending Policy and How the Investment Objectives Relate to Spending Policy -

The spending policy calculates the amount of earnings annually distributed from AAUW's various endowed funds, for grant-making and administration. During the years ended June 30, 2024 and 2023, AAUW's spending policy was 5%, of the average value of the endowment portfolio for the trailing twelve quarters.

**13. SUBSEQUENT EVENTS**

In preparing these consolidated financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through December 18, 2024, the date the consolidated financial statements were issued.
