

Vote Early Day Toolkit

October 24, 2026

AAUW is a proud partner of [Vote Early Day](#) on October 24, 2026 — now on a Saturday, instead of the usual Tuesday, so that more of us can show up! Vote Early Day is a nonpartisan civic holiday focused on helping every voter know how, where, and when they can vote early. This toolkit provides easy ways for your AAUW branch or affiliate to get involved in your community.

Why vote early? Millions of Americans can cast their ballots ahead of Election Day. In 2024, over 85 million Americans voted early! When you vote early, you ensure that long lines at the polls, confusing election laws, or last-minute commitments don't prevent you from making your voice heard.

If your state doesn't offer early voting, you can still [check your election dates and deadlines](#) and plan your vote now.

Reminder: All AAUW election activities must remain nonpartisan. Refresh your knowledge of [AAUW Guidelines for Election Activities](#).
